Discovery Charter School is a public, tuition free K-8 school located in Porter, IN with students from Porter, Lake and LaPorte counties. Its mission is to foster in its students the passion and curiosity necessary for lifelong learning through an integrated, place-based curriculum, which will enable its students to become stewards of their environment and community.

Our 13th annual **Discover Our World** is on Friday, March 1st, 2024. We expect several hundred people from across Northwest Indiana to join us for this fundraising event. All proceeds of this event will be dedicated to the Discovery Development Fund to continue expanding our campus and meeting the needs of our growing student population. The evening consists of dancing, a DJ, heavy hors d'oeuvres, cash bar, and a silent and live auction.
