

DISCOVERY VOLUNTEERS

It is very difficult to put a value on volunteer time for many reasons. Recently an organization called Independent Sector put together various statistics and researched average wages and came up with an hourly rate for a volunteer as \$23.07*. According to sign in sheets by office; 135 volunteers have given over 15,000 hours of service so far this year! Using that estimated wage, volunteers have given \$369, 742.89 worth of donated time to Discovery!! No wonder volunteers are such incredible assets to our school!

There is no way to put a dollar amount on the assets volunteers bring to our school community. We all benefit from their generosity each day. The following is a list of people who have given freely of their time to Discovery so far this year. The names in bold are volunteers who have given over 60 hours of service so far this year.
